

Lull Telehandler Parts

Lull Telehandler Part - Telehandlers by Lull have been supplying load placement accuracy since nineteen fifty nine. The Lull telehandler could help make the task easier and faster, whether the work involves landing loads on scaffoldings, transferring loads or positioning heavy steel. These units are available together with the patented Stabil-Trak stability system in order to ensure operator confidence.

The Lull horizontal load placement system supplies 80 inches of boom travel for precision placement capabilities. A wide range of optional accessories is available for Lull telehandlers to be able to help complete whichever job.
